AIME Update: Destination with a Difference

MELBOURNE: Visit us at the Business Events Sunshine Coast booth (Stand: 1822), to discover a conference experience like no other place on the planet!

Imagine running your next meeting surrounded by World Heritage-listed rainforest...

Fraser Island is the destination that event managers dream of – a tropical island paradise with scenic meeting and dining options, pristine nature sites, customisable outdoor group adventures, and an immersive conference adventure that your delegates will rave about!

Nestled amongst the native wallum on the western beach of the island, Kingfisher Bay Resort is an extremely versatile 'venue with a difference' and gateway to an unforgettable Fraser Island experience.

Our main conference area has natural light, ambient views and is surrounded by large undercover decks lending itself for exclusive use for welcome or farewell drinks functions. However, it is our bush and beachside settings, poolside nooks and rainforest retreats that can transform your dining options!
